

# Press Release

What: Welcome to Milwaukee Ceremony

Who: Bill Eisengrein, firefighter on far right of photo

Where: Fire Station 2, 7th and Wells Street, Milwaukee

When: Friday, May 5, 2006, 4:30 PM

Join the Milwaukee Fire Department Honor Guard and Milwaukee County Executive Scott Walker in welcoming Bill Eisengrein to Milwaukee on Friday, May 5th. Bill is a Firefighter/Paramedic with Rescue 2, Brooklyn, New York. He was one of the first on scene after the Twin Towers were attacked and is immortalized in the photo at left.

His first visit to Milwaukee, he will attend the Black 'n Blue Ball at the Midwest Airlines Center, a fund raiser for MDA sponsored by Harley-Davidson Motor Company, as a guest of Hupy and Abraham Law Firm.

Firefighter Eisengrein does not consider himself a hero and prefers we remember those firemen, rescue workers, police and port authority employees who died serving their city that day. The picture taken of him and the other two firefighters is symbolic of the duty and patriotism of those brave men and women who died or have since suffered serious medical problems associated with that service.
